

FORM AGREEMENT

THIS AGREEMENT, entered into this **18th** day of **January, 2018** in the County of El Dorado of the State of California, by and between the Mother Lode Union School District, hereinafter called the “District”, and **BRCO Constructors, Inc.**, hereinafter called the “Trade Contractor”.

WITNESSETH that the District and the Trade Contractor for the consideration stated herein agree as follows:

ARTICLE I - SCOPE OF WORK: The Trade Contractor shall furnish all labor, materials, equipment, tools, and utility and transportation services, and shall coordinate and sequence Trade Contractor’s Work under the Direction of Construction Manager and District and in cooperation with other Trade Contractors on the Project to perform and complete all Work required in connection with **Bid Number 17-003 Package #001** for the **Improvements at Indian Creek ES** in strict accordance with the Contract Documents enumerated in Article 7 below. The Trade Contractor shall be liable to the District for any damages arising as a result of a failure to comply with that obligation, and the Trade Contractor shall not be excused with respect to any failure to so comply by an act or omission of the Construction Manager, Architect, Engineer, Inspector, Division of the State Architect (DSA), or representative of any of them, unless such act or omission actually prevents the Trade Contractor from fully complying with the Contract Documents and the Trade Contractor protests, in accordance with the requirements of the Contract Documents, that the act or omission is preventing the Trade Contractor from fully complying with the Contract Documents. Such protest shall not be effective unless reduced to writing and filed with the District office within seven (7) days of the date of occurrence of such act or omission preventing the Trade Contractor from fully complying with the Contract Documents.

ARTICLE 2 - TIME OF COMPLETION: The District may give notice to proceed within ninety (90) days of the award of the bid by the District. This shall be called Contract Time. (See Article 8.1.1). It is expressly understood that time is of the essence.

Trade Contractor has thoroughly studied the Project and has satisfied itself that the duration set forth for the Contract Time and the duration provided for Trade Contractor’s Scope of Work for this Project is adequate for the timely and proper completion of the Project within each milestone set forth in the Outline Schedule and within the Contract Time. In the event Liquidated Damages are not paid, the Trade Contractor further agrees that the District may deduct such amount thereof from any

money due or that may become due Trade Contractor under the Contract (See Article 9.6 and 2.2 of the General Conditions).

ARTICLE 4 - CONTRACT PRICE: The District shall pay to the Trade Contractor as full consideration for the faithful performance of the Contract, subject to any additions or deductions as provided in the Contract Documents, the sum of **ONE MILLION SIX HUNDRED TWENTY-EIGHT THOUSAND DOLLARS (\$ 1,628,000)**, said sum being the total amount stipulated in the Bid Trade Contractor submitted. Payment shall be made as set forth in the General Conditions.

Should any Change Order result in an increase in the Contract Price, the cost of such Change Order shall be agreed to in advance by the Trade Contractor and the District, subject to the monetary limitations set forth in Public Contract Code Section 20118.4. In the event that the Trade Contractor proceeds with a Change in work without an agreement between the District and Trade Contractor regarding the cost of a Change Order, the Trade Contractor waives any Claim of additional compensation for such additional work.
